The Champaign Public Library supports the American Library Association's Library Bill of Rights and Intellectual Freedom Statement. The Library attempts to purchase materials that represent differing opinions on many topics. Selection is made without partisanship and in accordance with the Library's material selection policy. Please note that items are not withdrawn for the collection due to their controversial nature; merely because individuals or groups object to the material; or the unpopular portrayal of events, institutions or people. Any requests for reconsideration will be forwarded to the Library Director.
